York, NY 10007

4. How long does the vendor approval process take?

The standard processing time is **30–45 days**. Vendors will receive notification of approval, rejection, or requests for additional documentation.

5. Can international vendors apply?

Yes. International vendors may apply if they meet eligibility criteria and comply with applicable regulations.

6. How will I know if I've been approved?

An official notification will be sent via email, along with a **Vendor ID** and participation guidelines.

7. What procurement methods are used?

- **Micro-Purchases:** Contracts below \$5,000 (minimal documentation required).
- **Simplified Bidding:** Contracts between \$5,000–\$50,000 (minimum three quotations).
- **Competitive Bidding (RFP & RFQ):** Contracts above \$50,000.
- **Sole Source Procurement:** Exceptional cases with written justification.

8. How can I view procurement opportunities?

Access the **Procurement Opportunities** section after logging into **KingdomofKush.org**.

9. How are contracts awarded?

Contracts are awarded based on:

- Competitive pricing and cost-effectiveness
- Technical expertise and relevant experience
- Compliance with legal and security regulations
- Sustainability and ethical sourcing commitments
- Performance evaluations from past contracts

10. What are the cybersecurity requirements?

Vendors handling sensitive data must:

- Comply with strict cybersecurity policies
